Cookie Policy

Cookies are small, often encrypted text files, located in your internet browser and are used by most websites. We use them to help personalise your web experience, ensure you can navigate our website efficiently and perform certain functions. Due to their core role of enhancing or enabling usability or site processes, disabling cookies may prevent you from using certain parts of this website. It will also mean that some features on this website will not function if you do not allow cookies.

In this section you will find information on what cookies may be set when you visit currencyonline.com websites and how to reject or delete those cookies. For additional information you may wish to read the Currency Online Privacy Policy, or visit https://ico.org.uk/for-the-public/online/cookies.aspx which contains comprehensive information for a variety of browsers.

1. INTRODUCTION AND GENERAL TERMS

Currency Online is committed to protecting you and your family's personal information when you are using Currency Online services. We want our services to be enjoyable, easy and safe and environments for both visitors and clients.

Currency Online is committed to safeguarding your personal information. Whenever you provide such information, we are legally obliged to use your information in line with all laws concerning the protection of personal information, including the Data Protection Act 1998.

Please note that Currency Online websites contain hyperlinks to websites owned and operated by third parties. These third party websites have their own privacy policies, including cookies, and we urge you to review them. They will govern the use of personal information you submit or is collected by cookies whilst visiting these websites. We do not accept any responsibility or liability for the privacy practices of such third party websites and your use of such websites is at your own risk.

2. LIST OF THE MAIN COOKIES

From time to time other cookies may be used and Currency Online will therefore update the table below as promptly as possible to ensure the list is complete.

PCSearch

Used during the sign up process to store the number of times a user tries to lookup their address and postcode using the address look up functionality. When a user has tried repeatedly and reached the limit, a message is displayed asking them to manually input their address and post code details. For more information or to reject or delete this cookie visit https://ico.org.uk/for-the-public/online/cookies.aspx which contains comprehensive information on how to do this on a wide variety of browsers.
MRTX.CurrentWebsiteName, MRTX.RedirectFromOSR, ASP.Net_SessionId, bJc3XdF2Sg
Used to ensure that you can securely log in and access the correct features when using our website.

MarketWatchCurrencyList

Used to store user preferences for the Marketwatch page in order to show you only the currency pairs you're interested in. For more information or to reject or delete this cookie visit https://ico.org.uk/for-the-public/online/cookies.aspx which contains comprehensive information on how to do this on a wide variety of browsers.

CurrencyOnline->IgnoreJSDisabled

A unique identifier given to each computer to ensure you are not repeatedly shown messages if Javascript is disabled on your machine. For example 'You don't have the most up to date version of Java installed...' For more information or to reject or delete this cookie visit https://ico.org.uk/for-the-public/online/cookies.aspx which contains comprehensive information on how to do this on a wide variety of browsers.

SC_analytics_session_cookie, SC_analytics_global_cookie
Provides anonymised statistical information regarding volume of usage, pages viewed, sources of traffic etc. This information allows us to identify and understand our customers' needs. We then update the website to make it more relevant to visitors. For more information or to reject or delete this cookie visit https://ico.org.uk/for-the-public/online/cookies.aspx which contains comprehensive information on how to do this on a wide variety of browsers.

_utma, _utmb, _utmbc _utmz, _utmv, _utmx
We use Google Analytics to gather anonymised statistical information. This information allows us to better identify and understand our customers' needs. We then update the website to make it more relevant to visitors. For more information or to reject or delete this cookie visit : http://www.google.com/policies/privacy/ads/

3. REMARKETING

currencyonline.com also uses 3rd party vendor re-marketing tracking cookies, including the Google Adwords tracking cookie. This means we will continue to show advertisements to you across the internet.

We do not collect any identifiable information through the use of Google's or any other 3rd remarketing system. The third-party vendors, including Google, whose services we use, will place cookies on web browsers in order to serve advertisements based on past visits to our website. Third party vendors, including Google, use cookies to serve pdvertisements based on a user's prior visits to our website. This allows us to make special offers and continue to market our services to those who have shown interest in our service.

4.   DECLINING COOKIES

Most web browsers automatically accept cookies, but you can modify your browser setting to decline cookies if you prefer. This may prevent you from taking full advantage of the website.
